

## **Foundation Scotland - Comic Relief Core Strength - Local Communities**

This new Comic Relief Programme is offering support of between £1000 - £10,000 to cover core costs for small community organisations. Please note that groups who have been established for less than one year (and don't have annual accounts) will **NOT** be considered.

This initiative provides funding for essential core running costs for small locally led community organisations and will support groups who work to make their communities more connected, empowered and productive.

The programme will support **core costs only** (meaning expenditure that is not connected to delivering projects) including overheads (rent, staff, volunteers, heat/light, stationery/small equipment, internet etc), organisational development (staff/volunteer/trustee training, business planning, marketing and communications, monitoring and evaluation).

For further information, please see the website [www.foundationScotland.org.uk/programmes/comic-relief/](http://www.foundationScotland.org.uk/programmes/comic-relief/)

The deadline for applications is **04 October 2017**.
