

The Cycling Without Age fundraising campaign has now started. We're on a mission to end loneliness for older people in Kinross-shire. In partnership with Cycling Without Age Scotland, we have developed a project to bring Trishaws to the area to enable people that are older or no longer able to ride a bike for themselves to feel the wind in their hair and enjoy new social connections. We are looking to raise £2500 to help fund the purchase of a Trishaw. The bikes make a massive difference to an older person's life. Please help us to get this project started.
